Close to underground stations, some on-street parking nearby.

The Lady:

A stunning, slender mature lady with beautiful figure and hair - together with wonderful sparkling eyes! In her early 50s with the experience that brings, and the sexy energy of a younger girl!

The Story:

Well, from the moment Lorna walked into the room I was lost! Stunning model-girl looks and figure with fabulous long legs, twinkling eyes and beautiful hair [and tits to die for!]- together with a brilliant lively personality with intelligent and fun conversation. A terrific GFE experience, with fantastic sex too!

I'm quite keen on water sports, and Lorna obliged brilliantly, leading to some wonderful caressing and OWO before feeling her wonderful tight pussy – and its muscles, which can work wonders! And all the time those beautiful eyes looking cheekily at me. I've also had the pleasure of the most amazing hand job EVER, which works wonders every time!

I've met Lorna several times since that first encounter a while ago, and always have a really great time. To spend time - especially a sexy dinner date - with such a beautiful, sophisticated, mature lady, is really wonderful – and the sex continues to get even better!

She is a really great find - and you won't be disappointed I promise you! Look at her web site and see her more recent pictures taken on holiday and on location in Canary Wharf – WOW! They really show how genuine her pictures are. That really is the wonderful lady you are going to meet. ENJOY !!
