The Premises:

OK Flat off of St John's Wood High Street. The Bedroom was spacious and clean.

The Lady:

Described in previous reports. Faye is of medium height, has short blonde hair, a slim figure and a huge personality, that does not overwhelm you. She also has a quirky sense of humour that seemed to match my own, as we spent a lot of the session laughing.

The Story:

Faye arrived in sexy black lingerie and stockings, and proceeded to kiss me on the mouth and then undress me, which got me very excited as she is a good kisser. We migrated to the bed, with more kissing and cuddling, and Faye then proceeded to give me some excellent OWO. I said I would do the same to her and she got very wet and had a genuine orgasm.

It was then time for some more kissing and cuddling while Faye calmed down a bit, after which we proceeded to sex with Faye on top initially and then into mish where I had a glorious orgasm.

The only negative part is that Faye has only another three weeks at HOD before going independent and working from South London, this is a bit out of my way so I will have to confine myself to seeing Faye in EGO at MK.
