The Premises:

Have been to this place before to see another girl. Safe on a quiet side street
Have to go through kitchen to get to bedroom. Had to pass girl mopping the floor and another girl sleeping in kitchen

The Lady:

A different girl completely, it felt like deja vu in a chinese parlour
5ft 4 overweight about 25, did not match her photos because it was another girl

The Story:

Not the girl i wanted to see. Was told she was asleep. It was a typical bait and switch move
The girl i was given was a short overweight young girl. I thought as she was Hungarian it would be fine, That thought was quickly squashed when she laid on bed next to me with her legs by my head, she got the condom out and started a lacklustre blowjob. Her legs were clamped shut and she refused to open till she was finished with her 'blowjob'
Wasnt getting anywhere as i only got a fondle of her breast and nothing else
Avoid at all costs, left after 10 minutes
If you should visit her take the right money, she charged £50 for half hour gave her £60 and she said 'no change is this ok'
