The Lady:

Stunning looking girl – much better than in her photos. Made me feel at ease straight away.

The Story:

She's obviously new-ish to escorting but her skills will develop in time (I can offer to train her of course !!). She offered FK, OWO, CIM, COB but no DATY, or fingering, but she was very nice and we had a great time. That aside she really was a great fuck – We tried numerous positions and I gave her good pounding doggy style which she liked. She brought me to climax twice and I left happy. She gets a 8/10 from me (but there's room for improvement). Recommended for someone looking for a hot girl next door fresh in the field not a PSE
