The Premises:

Rub is a luxurious parlour on the outskirts of the city centre, & as the name suggests it is purely a massage parlour with plenty of parking close by & a discreet entrance door. Very clean inside. All rooms are reasonably spacious each with its own shower facilities

The Lady:

Tiffany is mixed race, drop dead gorgeous, with a naughty but sexy smile & a body to die for. If you are a boob or bum man you're in luck coz Tiffany has got it all, the most amazing pair of boobs & an absolutely terrific bum. I'm no good with height or age but I would say approx. 5'5 & early 20's. Her photos on the website are good but she is so much better in the flesh!

Oh did I mention how stunningly beautiful she is? Easiest the prettiest, nicest & fittest working girl I have seen (& there's been a few :-)

The Story:

I had made a booking by telephone the previous day after seeing Tiffany on the website. I was given good directions on the phone and was soon knocking on the door, WOW. Tiffany answered wearing a figure hugging black dress which showed off all her delightful curves. I was shown to the room, given a towel and left to have a shower.

As Tiffany re-entered the room I had already got a semi-on at the thought of my next hour.

"Somebody is pleased to see me" she said giving a cheeky smile. I was now asked to lay down on the couch & received a truly wonderful relaxing massage with plenty of attention to my nether regions which left me on the brink of cummin! I then turned over to see Tiffany was now just wearing some stunning lingerie that showed off her sexy bod to the max. What I witnessed in the next 20 minutes was simply mind blowing, Tiffany now had now taken off her bra, was teasing my now rock hard cock to the point of no return then just I was about to cum she said "no, no, not yet" Well I was now fondling those magnificent boobs & in the end I couldn't hold back anymore & came all over them. I must say at this point I'm not usually a heavy cummer but the load I released on those boobs was the best ever & it was all down to the ultimate experience I received from Tiffany. I never knew a HJ could be that good, seriously!

If you are looking for a wham bam thank you mam experience with some disgusting hooker then

stay clear of rub, this place is the best ever and Tiffany gave me the sweet sensual experience with the happiest ending I could possibly imagine, to some people £85 for a HJ may seem a little bit expensive but wait until you see what kind, affectionate, no rush service you receive & you'll soon see it's worth every penny.

Can't wait until I'm next working in Notts, I will definitely spend my lunch hour with Tiffany again.
