### The Premises:

Basement flat. Quiet area (at least when I was there) just a few minutes from the main road. Saturday evening, I didn't have any problem finding parking near-by - I was about 5 minutes away but could have parked closer. The apartment was large, quiet, clean and very well looked after. Shower facilities were as good as I could have wanted.

### The Lady:

In the flesh Rubia looks very similar to her photos but, to my mind, better looking. Slim, tall, black hair and fantastic dark eyes.

### The Story:

I'd originally booked for 10 PM but I arrived in the area early and the agency and Rubia were very accommodating in bringing the appointment forward. Rubia met me at the door in a black bra and panties, looking stunning. The bedroom was just down the hall. Rubia was very friendly and made me feel welcome. I had a shower on arrival and before I left - the time in-between passed far too quickly. Rubia's blow-job was fantastic - really deep and, well, just fantastic. And those black eyes when she looked up! Before I came we swapped roles. Rubia's pussy looks gorgeous, smells lovely, and tastes amazing. And oh so juicy! So very, very, juicy. I could have stayed there all night licking her. Then it was my turn again - more of her amazing head, her sitting on top, and then doggy. Until, unfortunately (well, not really), I came as she gave me head again. I didn't feel at all rushed afterwards. I had another shower, got dressed and followed her down the hall to the front door. Even that was great, watching her walk in front of me with her lovely bum in those black panties - I just wish her hallway was longer. I certainly hope to visit her again - if possible within the next week or two.
