The Premises:

Much reported: dedicated car-parking (though I travel by train), and lift up to "business" floor. Rooms, over two floors in total, are well-presented. Kai showed me to one of my favourite larger rooms.

The Lady:

I had briefly met, and shaken the hand of, Holly when we passed in the corridor around a year ago. There was something about her which I always remembered, even from that brief introduction, but, as circumstances would have it, it was never convenient to arrange to see her properly before she stopped working at Blue Ice. Thus I was delighted when I discovered that she was back for a couple of days.

Holly has gorgeous long legs, nice boobs and bum, a pretty face and a very friendly way with her. She was in stockings - always a big turn-on for me.

The Story:

Holly was kind enough to say that she also remembered me, and gave an almost perfect GFE. She aims to please, and is caring and willing, her only sticking-point being that she doesn't like fingers inside. However, she loves having her clitty played with, including being licked and sucked. She is sweet-tasting, and her pussy-lips are some of the nicest that I've ever seen - prominent but firm and tight. She is also responsive to having her tits caressed and sucked, so I did quite a lot of that! Standing up and moving to the bed, there was lots of lovely girlfriend-style DFK and OWO (this latter £10 extra on top of £60 standard), and the whispering of sweet nothings.

We nearly fell into fucking with Holly on top, but, instead, I got her to lie on her back, and we shagged in mish. Holly opened her legs really wide and back, and, as I say, she is good and tight. Finished lying side by side, with a load shot on both of our bellies.

Something about her tells me that she would do a very good 2-girl with Tia or Terry; and Holly has definitely joined my select group of girls here who Tia, some time ago, christened "The Elite". I am awaiting Holly's next appearance so that I can arrange this. Holly has a normal day-job, but with shifts, and the word is that she expects to be free for her next appearance at Blue Ice some time

during week commencing 12th. May. I am greatly looking forward to enjoying her again, this time together, hopefully, with another "Elite" girl.
