The Premises:

Quiet and discreet house in town. Easy cheap parking closeby.

The Lady:

Tara is exactly like her photos. She has long black hair and a pretty face. She is curvy like a woman should be and has soft and scented skin. She has lovely boobs as well as a sexy bum and to compliment all of that, has a soft peach of a pussy that is just divine.

The Story:

As before, I do not go graphic with reviews and will only say that Tara was one of the best encounters I have spent. She is naturally sexy and adept at the noble art of escortery and we spent an action packed hour which flew by. She is a natural and I felt highly relaxed with her. Treat her right and she will provide an encounter to remember.
