The Premises:

the lounge - been there for a long time now but tired as are the girls who work there now.

The Lady:

Photos on aw are not her and misleading. She claims to be half spanish yet aw says romanian and the photos used are also promoting a girl at an agency in London.

She is size 12-14 and not 8, has black hair and not brown as per pictures.

The Story:

Claims to give the best 'blow job' on her aw page but she was lacklustre and lazy.

I should have walked out but felt I had to see her having booked from the photos on the web. Don't waste your time.
