The Premises:

VH is still heaven to me. Imagine a nice hotel, but when you go upstairs, it is just to f*** one of several gorgeous women available to you :)

My favourite bit is probably when you are waiting in the upstairs waiting area, then you hear your lady's footsteps starting up the stairs :)

The Lady:

Lucy is 23, blonde and VERY cute. Very pretty face. She is not a skinny Hayden Panetiere type blonde, she is curvy, leggy hockey player with a stonking ass:)

Google "charlotte Harrison hockey" for a good idea; she looks like this Kiwi hockey star.

The Story:

Lucy and I are close in age, so it was very much like shagging on "civvy street". She's great, natural, normal company and a great shag, in short!

Not a play-actor or a dirty girl, or at least not with me.

Oral, RO, and shagging.
