### The Premises:

good

### The Lady:

Very bonnie Tall slim tattoos pierced pussy mid twenties

### The Story:

Very nice tasty small pussy. Small lips small hole. Feels nice and tight and firm. Great technique all positions. She looks just slightly like she's had a baby in the past. She said she's had three. Hard to believe. She looked at the ceiling a lot and seemed a bit detached. apart from that perfect really nice quality fuck for budget price. I don't think you can get a better looking girl for £25.
