The Premises:

Basement flat in a quiet road. it was about 10minutes walk from the tube. Know the area so I did not get lost.

The Lady:

I was welcomed by Vanessa with a big smile and wearing a tight black dress and heels. She smelt good too. She looks pretty much like the pictures. Slim with a firm body.

The Story:

Vanessa asked me what I liked. I told her lots of oral. That is what I got.

She got me naked and gave me a slow, long blow job without condom. Lots of deepthroat and ball licking.

I stopped for a kissing session before she went back to work. Driving me crazy before I came in her mouth and face.

I was spent as I rested and chatted. I left a bit early because there was no more I could give. She does work hard!
