The Premises:

A lovely cottage in a quiet rural setting with a discreet parking space. The house inside was lovely and clean with great shower facilities. A very relaxing atmosphere.

The Lady:

Lara is a stunning, elegant slim lady who closely matches her profile photos. She has a delightful sense of humour and very intelligent with a wide interest in many subjects. Not to be missed for the discerning gentleman.

The Story:

I visited Lara recently and was delighted how quickly we relaxed in each other's company. We chatted about a whole range of subjects, setting the world to rights and indulging in our mutual love of geology. The time spent together was unrushed and I soon lost all unawareness of the the world outside beyond our room. Our discussion about expectations were very frank, and then I was taken to another level of heaven, from whence, in my minds eye, I have yet to return. Lara is beautiful, charming, funny, well educated and completely puts you at ease. I will consider it a privilege to see her again.
