The Premises:

Ex local authority block in Willesden. Long way from underground - best to go by car. Easy to park. Flat clean and tidy - shared with others not seen. Bathroom clean.

The Lady:

Lucy must be 5'9" - 10" with blond hair. Not classically beautiful but pretty in a Jennifer Aniston sort of way. Fantastic figure with lovely firm breasts and long legs.

The Story:

Couldn't believe my luck when I first clapped eyes on Lucy. She was willing to let me fuck her for £70 - what a bargain!

After showering we caressed and then lay together on the bed. She was breathing deeply with anticipation, as was I. Started with usual attention to breasts moving on to pussy which was delightful and clean tasting. Allowed me to put fingers inside which was delicious and she seemed to enjoy. After about 10 minutes of foreplay which I know she enjoyed as she told me, she started to suck me off (covered - my choice - she would do OWO), and after managing to hold out for a few minutes I suggested a quick break and then a session of 69. I really went at her lovely cunt and she gave my cock a good wanking and sucking.

I suggested fucking in doggy. She has quite a tight pussy and after pumping away for a minute or so I accepted the inevitable and came big time.

I really enjoyed the experience and would like to visit Lucy again.
