The Lady:

Latino bombshell ready to fuck your brains out.
Soft skin, luscious lips around 20 years of age
Clean shaven with beautiful tattoos on her body.
She got a bum to die for.

The Story:

I was greeted by Soraya with a lovely smile a hug and a kiss.

She gave me an amazing balls licking and then moved to Oral.

We then went on 69 which she probably enjoyed as much as me.

Then we went in mish position and then she pushed me down and got on top, she cradled on top of me slowly making small talk at the end she got on her legs and started sit-ups on my dick, she was so tight I could not hold much longer and blew up inside her.

She had that twinkle in her eyes which said it all.

She is a real lady that I have not seen in a long time, be good to her and take a small present for her, she loves chocolates, but I wont tell you which haha.
