The Premises:

Spangles is a really friendly place. Everyone who works there is very welcoming and the receptionist is a star. The rooms are rather small (barely big enough for a massage table) and the piped radio is annoying (it was quite surreal to hear the traffic report during a live lesbian sex show) but I love this place all the same. It's safe and clean.

The Lady:

Both Drew and Victoria look like proper porn stars - very sexy with incredibly curvy bodies: long legs (approx 5'8" tall), round arses and large perfect tits, but in the end it was Victoria's smouldering eyes that brought me off.

The Story:

I just went in for a massage and covered blow job and ended up with a full-on threesome. The receptionist was a great saleswomen and clocked that after I'd seen the two women it would be impossible for me to refuse either of them. The girls were kitted out with wonderfully sexy underwear but once they started giving me a massage, I couldn't wait for them to take it off. The experience of two pairs of perfect tits in my lucky face is something I hope I'll never forget. The blow jobs that followed from each of them were both so good that I literally nearly blew my load in a minute and I had to keep pushing them away. I'm a bit of a newbie to this and was a bit shocked that they didn't put a rubber on me first but couldn't say no once they'd started sucking. Sex started doggie style with Victoria as she went down on Drew and again it was almost too much too soon! I somehow managed to hold back and we switched to other positions with both girls working hard to ensure I had an amazing time. I switched to Drew before the end which she said should have cost extra (even though I'd booked for two girls it costs extra to fuck both of them) but I managed to haggle by promising to write this review. It had to end somewhere and they brought me off over their incredible tits with a hand job and a glance from Victoria. A fantastic experience from two wonderful girls in a great venue. I'll be back. Thank you.
