The Premises:

Basement flat in Paddington, very near the station. Large and comfortable and modern interior. There is a large shower and a very big bedroom with bed and sofa and some mirrors.

The Lady:

The girls are just like their pics, short, petite and cute. Macy is probably the cutest, but Anna is also very pretty. they wore clothes like I requested, g-strings, stocking and heels. Both girls very passionate and friendly.

The Story:

I was met at the door by Macy. It was raining and I was soaked, she stripped me off there and then and took me to the shower where I warmed up and cleaned myself down.

I went to the room and both girls were waiting for me, they were flirting with me and I knew they were both going to be good.

What happened was a bit of a whirlwind and I can't really remember how it all happened but, we spent time together on the sofa and bed and in front of the mirrors, all services were on offer and they did them all happily.

Both were very keen and willing to please nothing was too much trouble. I had a very nice time and will probably be back for more.

I spoke with maria at the agency and she sounded very sexy and naughty too, so perhaps I will be back for some of the other girls too. Will I? You bet!
