The Premises:

House in central MK near to the shopping centre.

Clean and tidy, and most important, the maid answers the door promptly.

Only down side to annabellas is the heat in the rooms on the top floors.

The Lady:

Pictures and description on the AE website are accurate.

Lucy is a very pretty Blonde about a size 8 on the bottom, but the top half must be a Size 20 with her immense (new) G cups which are made all the bigger on her trim 5'1 body.

The Story:

I've seen Lucy on more occasions than I recall, and to be honest whilst there are a multitude of Ladies available in MK each day if Lucy is working she's going to be #1 on my hit list!

After Lucy entered the room in a scrummy pink outfit covering some nice lacy lingerie, we said hello with a lovely lingering DFK whilst she helped me loosen my suit and tie.

We continued to fondly each other until I was wearing nothing but a salute, Lucy ushered me to the bed whilst peeling her dress and underwear off, and sliding up to take me in her mouth for a wonderful bout of OWO.

This didn't last too long, as I challenge anyone to take her technique for more than 5 mins without reaching climax, and I had a lot more planned for our time.

We continued to fool around until all was ready with appropriate condom etc before moving into a round of lots of different positions, how she bends into some of them I don't know, but boy am I glad she can, when I finally ran out of steam, Lucy deftly whipped off the condom, to finish me in her mouth.

Vigorous would be an understatement when describing Lucy's style, but she is my perfect blend of GFE with a hint of PSE, (the PSE service, I think is over emphasised in her marketing by the parlour due to the size of her chest because the GFE service I received is second to none!)

I shouldn't recommend her as I want to make sure I can still book her! But I simply can't say a bad word about either her attitude looks or service!

I think you simply can't get better VFM in MK
