The Premises:

First visit to South Kensington. 5 minute walk from tube and easy to find on major road. Premises excellent, refreshments available and very clean through out with quality shower plus towels and shower gel.

The Lady:

Have seen Jolene before but this was first time since her enhancement. Looks fantastic and as other have said probably better than her photos.

The Story:

We caught up things that been happening to us in between kissing and exploring each other's body. Slowly removed clothing and spend long time orally exploring each other. She tasted sweeter than ever and gave her usually fantastic oral. She took her time giving me a great time and she seemed to enjoy the attention I was giving her. 69ing with Jolene is an experience you should all try.

We had sex in various positions which was fantastic. Thought she was going to bite her hand as she tried to keep her verbal responses under control. Finished off over her breasts.

After cleaning each other up we cuddled and discussed our next meeting. More of the same with some exploration of tie & tease as well as trying out some of her selection of toys. Also that backside needs to be spanked a bit more next (and mine too).

Will be returning to see Jolene just as soon as I can so please do all book her.
