The Lady:

Late 20s, dark haired beauty. Great figure, probably a 12, big natural tits, not droopy at all and a shaved pussy. One of the best arses Ive had the pleasure of ever!

The Story:

Must admit that TJs is far from the top of my lists for punts, its not consistant enough. My last three punts have been very poor here so I rang ahead to see who was working. I didnt recognise any of todays names so off I went.

When I arrived, noone was free so I waited in reception. I didnt have to wait long and had a giggle with the receptionist over the noise that were coming out of the main room. Ive never heard someone (male) that noisy! Out of that very room Nikki appeared after obviously satisfying the gentlemen and I chose her and was shown into one of the darker rooms.

Once stripped, Nikki came in and asked what I wanted. My tastes and requirements are simple nowadays, a bj and sex but both unhurried. Oh and it helps if the lady enjoys it or at least pretends to!)

No fear with Nikki, She straight away went to work on my cock and got it hard in seconds with her skilled BJ. She got her boobs out of her basque and I must say they were great. The blow job was lengthy and I could have come this way but I needed to be inside this beauty. She whipped of her knickers and threw them on the bed (I nearly asked if I could sniff them whilst we were shagging but thought it a pervy thing which Ive never asked a WG before but she made me so fucking horny!) and we had sex in three positions ending in doggy and me coming gallons. I may be wrong but I think Nikki enjoyed it and even paid me a compliment which I took as genuine.

A really really nice girl, pretty and oozing sex appeal. I will return. Its restored my faith in TJS where I was once a twice a week visitor!
