The Premises:

Basement flat in Earls Court near Underground station very safe area and very discreet. Very clean place. Maid is very friendly always offers a drink. There is just about every sex toy imaginable there.

The Lady:

Very attractive brunette probably mid to late 30's. Great body stunning legs. Photos on the website don't do her justice. Kate is about 5'07 but in high heels is closer to 6'0

The Story:

Have been a regular of Kate's finally gotten around to doing a review. Kate is very friendly before and after the session and takes time to listen to what I want. I usually like being spanked in the strict headmistress/naughty school boy scenerio.

Once the session starts Kate never breaks character and I am transformed to another world. Kate always respects my limits and has never done anything to me I am not comfortable with.

On this particular session I was the naughty schoolboy who had messed around in class and was then made to strip naked then I was spanked over her knee then flogged with a whip then caned until I couldn't take it anymore after that the fun really started and Kate gave me an amazing oral plus much more.

I have had many sessions with Kate over the years but this was one of the best and I can't wait to see her again.
