### The Premises:

Debbies!

### The Lady:

Incredibly attractive - for me that is, if your bag is for superthin catwalk models read no further: 5'8" ish beautifully built young lady about 10 st. Far, far, far..... better than Debbies incompetent pics - Debbie get a camera! Not a particularly decent one, just a camera.

Fantastic arse and legs and the rest. She thinks she's over-weight but shes not, stupid idea.

Sense of humour. (why is the spell checker american?)

Lots

Dutch - perfect english, language that is.

### The Story:

Saturday visits are usually not possible but it was to-day and I felt the need for a massage, just a massage.

Then I met Mandy,  
not just a massage.

Realised (english) after my visit that there is more than a passing resemblance to "Nicky" in the Bourne Supremacy - not that that's important, just to give you an idea.

One of the most attractive women I have fucked for years.
