The Premises:

Easy to find flt behind a big stationary shop in MK.

The Lady:

Same girl as the pictures, although they've clearly been a little photoshopped. Teeth look a little different in real life. Pretty lady with a nice figure.

The Story:

After a long drive, and with more to go I decided on a quick stopover in MK. 3 ladys available, decide on Kathleen - in fact I had hoped to see her based on previous FR and her pictures.

Lovely soft skin; nice breasts and good conversation.

Being in a lazy mood I simply lay back and let her give me a slow, teasing BBBJ. Selfish, but what the hell! A nice lady who I would recommend.
