The Story:

Booked Nadine on the basis of her AW profile. She comes across on there as very sexy but the reality was different. She appeared quite nervous and didn't engage in conversation, only answering my questions. She said she could not have sex as her pussy was sore. She offered massage first and I have to say that was one of the best I have ever had, lasting a good 45 minutes. She has clearly been well trained. After this she proceeded to roll a cover onto my member and began a vigorous hand job - too vigorous so I asked her to use her mouth. This was much better and I fondled her lovely breasts until she released my juices. After a clean up we had a brief cuddle and I was on my way. Now for me that was less than satisfying as I like the lady to gain some pleasure too. So, if you want a really good massage with a happy ending then book her, but don't go if you want a GFE.
