### The Story:

Paid for 1 hour plus A levels, which she quoted at £20 extra. This increased to £30 when I actually got in the room. Stripped off and laid on the bed, expecting a fair amount of foreplay, but nope, straight on with the condom and covered BJ... for that sort of money I was fully expecting OWO. She let me lick her very briefly then she wanted sex. Started missionary then she swapped to the top, pretending to put it up her arse. I know the difference between the holes and it wasn't up there. She then said it hurt too much so switched back to normal sex.

Came not long after that and she instantly jumped up and was intent on getting me out as soon as possible. I'd been there only 25 minutes. Completely disappointed with the level of service, it's what I would expect from a parlour girl.
