### The Premises:

Central London apartment easily accessible by public transport.

Very respectable area so felt 100% safe.

Nice apartment, clean and good facilities.

### The Lady:

Delightful curvy and cuddly lady whose photographs don't do her justice.

Undoubtedly the finest bosom I've ever encountered and the rest of her isn't far behind.

Friendly, bubbly personality and excellent company and clearly intelligent with good conversation.

### The Story:

I've seen Charlotte several times now and each visit has been excellent.

She is very good at role-play and today she was the Headmistress of an academy I wished to join. She dressed as you would expect - white blouse (almost bursting at the buttons!), black skirt with black seamed stockings and suspender belt (just as I like) and proceeded to put me through various tests, examinations etc. to check my suitability.

It would be indelicate to go into detail but we both had an awful lot of fun over the next hour or so. I'm pretty sure she enjoyed herself as well as I feel she is a quite highly sexed lady.

After we'd finished we chatted for a while, no feeling of being rushed, before I showered and left.

I cannot praise Charlotte enough and highly recommend her as worthy of a call.

Treat her well -she definitely deserves it.
