The Premises:

Very clean and discreet with convenient cheap parking. Can get a bit busy with a few girls there so seeing other punters is a possibility but not really an issue.

The Lady:

Carla is just like the photos on her page; fairly tall which is nice and nice curvy body which is what I love in a woman. Pretty face with a glint in her eyes which I loved. Her skin is indeed very soft but it is the vital bits that set her apart. Her boobs are a natural knockout and her butt is round and just the right size. Her pussy is very sweet and ultra-clean which is in direct contrast to her mind which is deliciously dirty.....

The Story:

There are WG's and there are other WG's..... And then there is Carla..... I still am not going graphic but there are a few things that puts this lady in a class of her own. She loves her job and it shows; her kisses are sincere and deep and she has no inhibitions about anything. A few basic rules like any self-respecting lady and we established them early on so we could enjoy ourselves.

After that it was full on fun and games with Carla strutting her stuff and blowing me away. As I said she is so clean that going downstairs is an absolute pleasure she reflected the gesture with some lovely oral of her own which I had to stop at one point so as not to finish too early. Like I said, there are some things that set Carla apart from other WG's like her love of having her clean dark long hair pulled as we'll as her flexibility and response to being manhandled around the bed with smooth clean strong hands. No rough stuff but do it right and she positively purrs her appreciation. When not purring she is uttering encouragement that almost made me blush and it was a pure turn on.

She is also happy to be photographed and video'd and I have some excellent "Relaxation time" mementoes to be content with until I see Carla again. After an hour of debauchery including two noisy jolting orgasms for her and me finishing in her mouth I was a knackered sweaty heap, but what a brilliant and clever lady. Carla; you are da girl. See you soon. X
