The Premises:

I had an In-call at a lovely city centre apartment. Charlotte had made me feel really welcome by lighting candles with music on in the background. I felt really secure in the Apartment as it was sort of hidden, well furnished and the bedroom was really plush and clean. I was able to have a shower and Charlotte made me feel at home and at ease with a cup of tea as I was nervous!!!!

The Lady:

I was really glad I chose Charlotte, I always had a dream to be with a black lady and Charlotte didn't let me down. She was a really pretty, sexy, and very well presented. She had a body to die for with the smoothest, chocolate skin and the biggest nipples I've ever seen!!

The Story:

Charlotte made me feel at ease and made me feel like I was like on an intimate date with someone I'd know for ages. She kept me talking and smiling and giggled at the right moments. Her warm and friendly approach was a welcome break from my hard day. I couldn't believe two hours had gone by. She was all woman and made me feel like a real man. I felt totally comfortable in her presence and I'd love to visit her again when I can.
