The Premises:

Flat above a shop in a street just away from the main road in Headington. Parking is available and it's very clean.

The Lady:

Chloe is a very pretty oriental lady, probably between 25 and 30, and about 5' 7" in height with small but firm breasts.

The Story:

Chloe started by undressing me to my boxers and then started gently touching my cock and then stroking my balls through the leg while I cupped her breasts and stroked her nipples.

After a while she removed my boxers and continued the gentle teasing before starting on an uncovered blow job. then cowboy followed by missionary until I came.

A very good experience.
