The Premises:

A basement flat behind Paddington Station, in a large London townhouse. A large bedroom with big bed and mirrors. There was a clean bathroom with shower although there were drips of water coming from the ceiling!

The Lady:

Pretty like her pics, slim, petite and looked lovely in red g-string and white stockings. But, upon closer inspection she was a little bit hairy! Her bum and even a bit of stubble on her chin, which was off putting.

The Story:

I have been wanting to see Nataly for ages, her pics just hit the right buttons for me, her little schoolgirl outfit and slim physique make me horny, baby!

So I was quite excited to go and see her, and she was nice and friendly and lovely, but I did get a bit put off by the excess hair.

I stayed about 20 minutes and she is willing and able to do everything you could want, but after that time I decided I had to leave.

I think if she was properly waxed and everything was sorted out she would be a great punt, but as it was for me, I am calling it a neutral.
