The Premises:

Like a mini Thailand. Nicely decorated with a South East Asian theme. The room itself is well presented with an en suite shower and the bed is comfortable. Chilled music is playing in the background which puts you at ease. Free cup of tea offered and mints to chew on!

The Lady:

Beautiful lady! A must see for all fans of busty Thai girls. She can bang my cock any time!

The Story:

Great experience. £55 pounds for half an hour (topless) oil massage with a happy ending, what could go wrong! This girl knows what she is doing and tries her best to please her clients. Her spoken English is good, but obviously this reason is not why I went there. The massage was firm just like her breasts and the service was wonderful. I shall be returning same time next week.
