The Lady:

Stunning brunette with big brown eyes and a killer smile. She has a prefect figure 34DD bust that are simply delicious and soft. Photos do not do her justice she is quite spectacular in the flesh.

The Story:

Imogen came to visit me last week at my hotel and she was everything I expected and more after seeing her photos and calling the agency who highly recommended her.

She arrived on time and was dressed to impress. Impress me she certainly did. Simply stunning with a smile that captured me straight away.

The agency told me that she was a Michelle Keegan lookalike and they were not wrong. I would say she is actually hotter!!!

Imogen was bubbly, friendly, fun, sexy and most of all up for fun and frolics. She is an amazing kisser is drop dead gorgeous in and out of her clothes. She had a sexy little red thong on which always gets me going showing off her smooth, tiny and pert bottom.

Imogen knows how to please and is confident with her skills. She led the way and I was in heaven. I only had an hour to spare and I was simply gutted at how that time flew by. On my next visit to Leeds I will definitely be arranging some time with her way in advance. Let's hope business takes me there sooner rather than later.
