The Premises:

GFE has a decent web site and was easy to find. I visited just after 11am and there were two other guys in the waiting room.

The reception area is nicely furnished with a TV showing a news channel.

The room we used was clean, comfortable with a good shower and mirrored ceiling!

The Lady:

Cherry is a mid-20s girl with a great, natural figure and gorgeous boobs. Her face is really pretty and she is very friendly and easy to chat to.

The Story:

I was in Sheffield for work which was cancelled at short notice. Having a free day I thought I would look for a girl and soon found the GFE web site.

I arrived without phoning ahead just after they opened and was surprised that all five girls were already booked. The friendly receptionist told me I would have to wait about 30 minutes which I was ok to do. Whilst waiting she made me a cup of tea and gave me a paper to read.

After 30 minutes Cherry became free, showed me up to the room and turned on the shower for me then left for a few minutes.

When she returned I was ready on the bed. We agreed on the GFE option (sex, owo, kissing) and soo she was massaging me. The session quickly proceeded through owo, 69 then sex in a few positions until I came.

Cherry was great throughout and I really enjoyed our time together. She is absolutely gorgeous and this combined with her enthusiasm led to a memorable session.

Overall I was very please with both the venue and girl. As good as anything I have been to in

Manchester.
