The Premises:

I was shocked at her flat, it was a massive basement flat in a converted building. The flat was clean and very tidy, it is laid out like a home a not a working flat, clean bathroom very close to the tube station

The Lady:

I was after sweet and innocent and thats what I got.

From her list of services I though that she would be anything but, I went on a recommendation, it turns out that this was very accurate.

Micky is tiny, she came up to about neck height without her shoes on. She looks like she is only about 20 and also has lovely blonde hair.

The Story:

I was welcomed at the door by Micky and she looked stunning she was wearing a white dress and red high heels - very high.

Once we had got the money side out of the way this was over in seconds she slipped right into her role.

Micky played out the role that I wanted to perfection, she was shy and retiring 1 minute and then a animal then next.

Blowjob was great but when she bent over the bed for the anal I nearly blew my mind this slight and attractive young lady is one of the best punts that I have ever had and that is why I thought I would share.

I have got to revisit Micky simply for the fact that I didn't want to leave, there are only a few girls that have ever given me that
