### The Story:

This is the third time I've seen Rochelle. I can't help myself and have to keep coming back for more. Started off with a fantastic toy show with Rochelle's rampant rabbit friend! Oh boy, what a fantastic sight watching her moan as the vibrator did it's magic on her beautiful clit, whilst I helped out with my tongue and fingers.

After she had a shuddering orgasm it was my turn and she went to work on my cock OWO, followed by a little bit of RO, then on with a condom leading into several positions before fucking her hard from behind.

It wasn't long before it was my turn to come and I unloaded all over those huge tits.

Rochelle is fantastic, very easy to get along with and not to be missed.

I'm sure it won't be long before my next visit.....
