### The Premises:

Nice enough, studio flat, easy to find, easy to park.

### The Lady:

Totally gorgeous young thing opened the door in bra and panties. Probably 19 or 20. Lovely skin, lovely firm pert breasts. Cheerful and willing.

### The Story:

It's not often I want to go down on a girl, but she was so cute and smelt so good I just had to pull down her little panties and kiss her beautiful little p.

We had a fairly straight forward suck and fuck, pretty much what you'd expect for 30 mins, but what made the difference was her fabulous figure. The memory of her tight little arse as I fucked her from behind will live with me for a long time.

Totally recommended if you like your ladies young and slim ;-)
