The Premises:

Well known block of bedsits in Chelsea. OK space I guess.

The Lady:

Bit disappointing compared to the photos. Not as pretty and boobs not quite as perky looking as I'd been hoping. Still nice enough.

The Story:

Very perfunctory. Obviously bored, led me to the room, bra and knickers off as soon as money exchanged. Functional suck and fuck, over and out the door as quick as she could.

Said she wasn't very busy and wouldn't be staying long in London. I wasn't surprised.
