The Premises:

Chelsea works from a small, clean tidy house on the edge of the town center. Parking near by at shopping center. Nice bathroom with shower.

The Lady:

Chelsea is a slim young lady with a great figure. Brunette which makes her look sexy and sophisticated.

The Story:

I had seen good reports on Chelsea and as I had to go to Mansfield for business I decided to give her a try.

Chelsea is a good looking, slim young lady. As requested she dressed in stockings and suspenders.

We started off with me giving her sweet pussy and bum some licking then on to a short burst of anal.

After a rest and me giving her some more tonging it was onto to deep stick mish and then doggy which finished me off.

Although I could have left then, Chelsea was happy to chat and give me a bit of massage until the hour was up.

I left happy and pleased I had had the opportunity to meet her.
