### The Story:

Few recent positive reviews for Sally, arrived few minutes late due to travel delays. Shoes off downstairs then upstairs....money requested first. Offered shower so freshened up. Then back to room, told me to lie face up...after 1 minute, johnny on and shes giving a covered BJ. Onto cowgirl and round 1 over. To be fair shes probably been in this game a while and although manner is nice, the punter does feel ripped off. £150 and out within 15 minutes. Now after the experience I rechecked her 3 reviews for which the reviewers have also reviewed Victoria of Earls Court, another bad experience. So alas, back to agencies and no more independents. Watch out for any new independents in London and thoroughly check her reviews and reviewers previous reviews.
