The Story:

Booked in with chloe in the morning so that i made sure i would be the first to see her, there was a entrance fee of £15 for double bed. Was shown which room to go to, and waited for chloe to come whilst i got undressed and comfy. When chloe came in, i was greeted with a nice cuddles and lots of kisses and then on to the bed. Chloe first massaged me for a bit and her massage techniques are very relaxing and also sensual. It was then time for the main part i discussed with her what my preferences were and she was happily ok with that :) she is very talkative and definitely the cleanest escort that I've come across so far....could not take my hands and tongue off her beautiful butt, pussy, and gorjus smooth feet!! (Believe me all you footlovers, she has stunning feet that is smooth and clean)....this is the second time I've seen chloe (saw her first last week)...and hoping to see her again next week
