The Premises:

Anna's place is clean, roomy and the bathroom is modern. The place is very relaxing

The Lady:

Anna looks better than her pics. She is a very beautiful lady. Maria will hate me for saying this but she is certainly more attractive. Saying that; I could only dream of having Maria and Anna in the same bed.

Anna's english is a little difficult to understand at times but not an issue.

The Story:

My first mistake is to think Anna is Maria. She certainly is not. It seems like the gods have dissected the Maria formula and repackaged it in a younger and more attractive version. However, she has all the traits of a endless fuck bunny who will kiss your face of, she still still has a slice of a sensual GFE. I actually think the gods have made a better blend of Maria. Lets call her Maria smooth (not lite). She's not quite in to the hardcore BDSM that Maria was (nor did she have a strapon) but that will come with time.

The OWO, rimming was amazing. She is still learning but still very good. I have to say she is miles apart from 90% of the thai girls I have seen. It felt like been with a GF who actually let you do all the things you wanted and was begging you for bedroom time all the time.

The only problem with the session was me. I was exhausted and I shouldn't have made the booking. I couldn't keep with Anna. She was a little disappointed that I didn't go longer, she wanted to get me hard again for a second and third session but I couldn't and that was my fault. However, she gave me a massage which was pretty good. I also went over time and she was not clock watching.

I will certainly see her again. She is a legend in the making. I am certainly looking for an Anna and Macy duo. If I could get Maria the Mistress of Pleasure to come along and orchestrate then I certainly would.
