The Premises:

Debbie's place has been well documented. It's easily accessible from Anerley station and there is a discrete back door and parking. This was only my second visit but I was made to feel very welcome by Debbie herself as well as Paris. The atmosphere is extremely friendly and relaxing. The facilities are good and the place is nice and clean.

The Lady:

Paris is a nicely shaped brunette with gorgeous breasts and a trimmed bush and juicy pussy. She is an extremely well-spoken English young lady in her 20s and is very welcoming from the outset.

The Story:

I took the house special that included an assisted shower. That was fun and was accompanied by endless kissing and caressing. This was followed by massage and mutual exploration of each others bodies. My own efforts were rewarded when Paris had her first orgasm of the day. I was then given the necessary treatment. What a great experience and one that I'll repeat in the not far distant future.
