The Lady:

First time at this location/provider for a long time. Used to be a regular when Chloe managed it.

Free time so did a walk-in - choice of Gemma and Sara. Both beautiful - chose Sara. Tall, slim but curvy in the right places, blonde hair tied back and dressed in a leather zipped bodice, skimpy black knickers and black high heeled shoes. She is 21, cute face with deep brown eyes and luscious lips.

The Story:

When we both got naked. She has the most amazing perk breasts. Sara massaged my cock wonderfully before giving me a beautiful, gentle blowjob. Then we fucked cowgirl, missionary and doggie before I came by hand. She has the most perfect body, is playful although a little reserved - although I found that very attractive. I feel very lucky to have time with such a beautiful, erotic young woman.
