The Premises:

OK flat in Water Street which seems to be used by a number of Thai girls.

The Lady:

Thai girl who seemed to resemble her pictures on AW although most certainly NOT the Airry I saw at the end of April nor was she the girl that I had booked.

The Story:

I booked a half hour appointment with Vivian who I have seen a few times over recent months.

On arrival I was met by a girl who was clearly not Vivian and who, when asked, said her name was Airry. She was not, however, the same girl who I saw at the end of April who also said her name was Airry. This Airry did, however, look more like the pictures on AW. As I didn't have much time, despite Airry not being the girl I had booked, I decided not to bother arguing the toss (her English wasn't that good anyway) and carried on with the appointment.

To be fair to this Airry, she did pretty much all I asked her to do. Oral (OWO) was OK, nice tight bum for anal, sex in a few positions and finished in her mouth. Downsides- no kissing (AW profile says FK at discretion which, in my experience with Thai girls, usually means none), kept asking me if I had finished (I hadn't) and no offer of massage either at the start or the end of the proceedings.

So - would I recommend? Well, I wouldn't object to seeing her again but I wouldn't go out of my way to make a booking with her.
