### The Premises:

Madi lives in the serviced apartment block in Chelsea/Kensington. She has a big apartment with a large bedroom and big bed. The bathroom was clean and there was a nice shower. Unfortunately, as seems to be the way there, the rooms can be a little bit hot, but that is not a problem.

### The Lady:

Madi is gorgeous. She is slim, with a pretty smiling, happy face, lovely small boobs and bum. She met me at the door wearing heels, suspender belt a tiny g-string and bra - looking perfect and welcoming.

### The Story:

The agency told me that Madi was new and that she was utterly gorgeous, I probably wouldn't have picked her from the pics, but I know that the agency recommendations are usually spot on, so I decided to go for it.

I am not exaggerating, Madi was one of the best, if not the best, escort meets I have ever had.

She was the perfect GFE, really wanting to please. She would say things like, this is all about you, you do whatever you want, I want you to be happy etc. And she meant it, and never once said no.

I love the slim girls and Madi's body was perfect. Slim and sexy. Clean fresh. Perfect.

But unlike some girls who have a sexy body and pretty face, her service was excellent too. She put her all into everything. It might have helped that I made her orgasm first, but I think she would have returned the favour even if I hadn't!

She does all services, although I didn't do A-levels. OWO was perfect, with her wandering hands all over my sensitive parts, and 69 was so hot. There is nothing I can fault her on, she was absolutely perfect.

She probably needs new pics as they just don't really do her justice, a cliché, but true.

Definitely recommended for the perfect GFE. Thanks to Rachel and James at Dior for the recommendation.
