The Premises:

A large hotel in Crystal Palace area, so fine. No problems, I would imagine at any time of the day or night. Was the usual ensuite hotel room. No problem with parking at this time.

The Lady:

Wendy (she uses the name Wendy Sweet Pussy on the other site) has the figure of a model. I that respect she wasn't what I was expecting, but she is very slender, about 5'5" tall, with dark skin, wavy hair, and small breasts with nice nipples. She has a small delectable bottom at the top of long slender legs. She is very pretty indeed.

The Story:

Once I'd got my breath back and had a quick wash, she attacked me from behind, entwining herself around me. We lay on the bed and I kissed and caressed her body, licking and and stroking her breasts and getting her nipples erect, and feeling that lovely bum. I then moved down her body and started licking her fat pussy which she seemed to enjoy. I managed to insert a finger during this process, and she was nicely lubricated.

We then went into a 69, and she played with my cock while I licked her cunt. After we'd been doing this for five minutes or so, (it wasn't long enough for me), she surfaced and asked me if I was ready for her. I certainly was.

We started with Wendy on top, but I decided to take charge and got her into mish and fucked away gently at this delicate creature. Eventually I asked her to turn around and I inserted my cock into her delightful pussy. This went on for a bit until she started to raise and lower her gorgeous arse up and down on my cock in time to my thrusts. After a short while I came bigtime and filled the bag with my spunk.

She was a lovely girl with a sweet personality, and is definitely worth a visit.
