The Lady:

Pretty much as described on the HoD website though I would have put her age at least 5 years younger if I was asked to guess.

The Story:

A rare period of downtime in my hectic schedule while in the centre of town led me to ring HoD and book the next available slot happy to see whoever was allocated.

Dita wasn't on the roster when I'd left home early that morning and I had to ask for her name as she wasn't like the descriptions of the 2 ladies due to be working that shift.

The punt was true to the standard HoD formula with which I am by now extremely familiar:

- 1) warm welcome
- 2) very attractive and engaging provider
- 3) enthusiastically provided the GFE services listed on the website which I required

I left happy and satisfied.

Interestingly there is only one FR linked to her page on the HoD website and on the strength on this, she probably wouldn't have been my first choice. I was to subsequently find a number of her other FRs on Punternet by searching on her name the accounts of which provided a closer match to my requirements and in fact to my own experience.
