The Premises:

Shared flat next to Heston and Isleworth fire station (an interesting 30s modernist structure for those interested in 20th century architecture)

The Lady:

Photos are accurate. Quite good looking 19/20 y.o Romanian girl with slim body and pert breasts.

The Story:

A borderline neutral/no recommendation.

FK, reverse oral and toy play not available. After some perfunctory fake oohs and aaahs generally not responsive to penetration irrespective of depth, speed or position. Finished on her stomach for which she said an extra charge was payable.

Then told no shower available and only got one after I refused to move without.

Pleasant enough girl and good looking but overall a dull and uninspiring punt.
