The Premises:

Aiva's flat is on a very upmarket road and was in close proximity to the building's entrance. Her room was well furnished and comfortable - though on the small side.

The Lady:

Aiva's photos don't do her justice. It appears she has buck teeth but no such issues. A super cute lady who is a cross between the American adult star Jennie Lee and Kate Beckinsale. Aiva has a lovely toned young nubile body with a beautiful smile. I am not a fan of tattoos and Aiva does have two - a small one on her forearm and a larger dragon tattoo on her torso but it is on the side of the torso and really not in line of sight if you are facing her from the front or behind ;) She was so cute and above my expectations that it really didn't matter at all.

The Story:

Aiva was enthusiastic and we started off with some passionate DFK after which she undertook an expert OWO where she tried her best to deep throat me on my encouraging. I loved how she sucked my balls - really turned me on. It was hot in London and we had some extremely sweaty action after which I got fatigued. Aiva then took over with some more excellent OWO and wanked me to finish. My description doesn't reflect the superb enthusiastic action. Based on my experience - I highly highly recommend Aiva.
