The Premises:

Well known venue with safe parking, the venue itself is clean and professionally run. Had a large room and the shower worked.

The Lady:

Although older than the others Kate has a good figure. Pictures are fairly honest but what they do not show you is the beautiful face.

The Story:

I have been to Ego before and saw Paige. Lovely eye candy but a useless massage but I never reported this. How different this was. What a wonderful massage with Kate making sure she was using the right pressure for me. She worked me from my head to my toes from gentle to firm. When massaging my back standing by my head I could feel her breasts caressing my neck and head. When I turned over the same again and this time her breasts slowly brushing over my face. What wonderful nipples and breasts she has and then onto breast relief.

This was just wonderful let's hope she is training the other girls in the same techniques. I will be revisiting.
